Attendance

Angel practices are closed to friends, parents, or siblings. It is very distracting to the team and coaches to have spectators.

Being at practice is crucial to our teams progress! When one person misses, it hurts the whole team! Cheer is a team sport! Every position is important! All absences and tardies need to be excused by a PARENT! Please call or text your son or daughter's cheer coach to excuse any absences or tardies! This includes performances and parades as well. Exceptions can be made at the coach's discretion.

Absences/Tardies

We understand that kids get sick and we know there will be events that will cause you to miss cheer. For example- family vacations, funerals, weddings, illnesses, etc. If you are sick with something minor, we would still like you to come to practice and do your best. Even if that means just watching. We are constantly making changes and it is time consuming to reteach those changes to one cheerleader.

If you are going to be late or leave early, please let us know ahead of time so we can plan practice accordingly!

Please know that we do have the right to remove your child from the team if we feel their attendance is hurting the teams progress! Joining the Angels is a commitment and that means some sacrifices will need to be made to make the team successful.

Dress Code

Hair needs to be pulled back. If your hair is short, it needs to be pulled back away from your face. Everyone needs to wear clean, white cheer shoes to every practice. No sweatshirts, jackets, jeans, jewelry, offensive clothing, or any other items that may be distracting to the team or make practice difficult in any way. Piercings of any kind need to be taken out for practices, performances and competitions. Your nails need to be trimmed and short. NO fake nails! No gum, food or drinks other than sports drinks and water. No lotion before practice! It makes it very difficult and unsafe to stunt. No sports bras!

Honor Code

When you are at practice, competitions, performances or parades, you are representing Air-Bound. Please keep in mind, this includes online! You ARE representing the Angels even on your social media accounts. As a team, we treat all team members, coaches, judges, parents, spectators and other teams with respect. We demonstrate good sportsmanship to our own team members, as well as other teams both in victory and defeat! We represent Air-Bound in a dignified manner to uphold the reputation and values of our team. This includes appropriate language/talk, appropriate behaviors, and appropriate clothing. We do not damage the property of the gym or other people. We keep good attitudes and come to practice ready to learn without complaining. We do not treat people differently due to race, religion, nationality or sexuality. We do not participate in any illegal activities including the use of drugs and/or alcohol. We represent Air-Bound well in all things we do!

Coaches reserve the right to use discretion in all situations. Although these are the rules, we can make exceptions if needed.
