

AIR-BOUND

Gymnastics ♦ Cheer ♦ Tumbling

Hello Angels!

Effective as of March 17th, 2020, Air-Bound Gymnastics and Cheer will be closing temporarily until March 31st. We will evaluate when to reopen based on the recommendations of the CDC, President and Governor. We appreciate everyone's business through the years and have loved coaching and watching your cheerleaders grow! We hope during this closure y'all remain safe and enjoy your time as a family!

This is not the way we planned on ending our cheer season! It breaks my heart to see it end so abruptly!

3P has officially cancelled their national competition. We are looking into refunds. I will keep y'all posted.

We will not be having our end of the year showcase. This is my favorite performance of the season and I'm so sad it's not happening.

We WILL hold our mini cheer clinic once we get the ok to do so. This is a fun clinic for so many kids! The performance will be a little different than planned but we will make sure it's a fun event for all!

ALL banquets are cancelled.

Royals pictures have been postponed. We will reschedule these as soon as possible!

We are crediting accounts for 1/2 of the month of March. This process will take a few days. Once there, this credit can be used for future classes, clinics, open gyms, etc. Any pre-paid clinics or open gyms will also be credited.

As always, please let me know if you have any questions or concerns!

Again, this will be a short-term closure. I will notify you of our reopening when the time is right. Encourage your cheerleaders to continue working on their skills at home. Stretch and condition! We appreciate you, stay safe and thank you for being part of the Angel family!
